Old Business:

- a. **Economic Development Meeting:** Councilwoman Mayer gave a report of the recent economic development meeting and stated that the next meeting would be held February 9th.
- b. **Beau Ziemer – Irrigation:** Beau Ziemer explained that a transite water line runs down South Plymouth Avenue along with an irrigation line. Mr. Ziemer explained that because of the proximity of the lines, DEQ would not allow any digging to work on the lines. Mr. Ziemer stated that a transmission line would be constructed to Well #8 and that the transite water line would be taken out of service, allowing work to be done on the irrigation line. Mr. Ziemer presented options for replacing the irrigation line from S.W. 2nd to McKinley. Andy Gehrke stated that it had verbally been discussed with Rural Development to include the project as part of the water project. Mr. Gehrke further explained that Rural Development would request a preliminary engineering report with an addendum for the project. The Mayor and Council encouraged Mr. Ziemer and Mr. Gehrke to pursue the replacement of the irrigation line.
- c. **City Fire Department:** Councilman Esplin asked that the clerk obtain information on the standards of a fire department and funds available to the city. Councilman Esplin stated he would like the city to investigate the possibilities of combining the fire department and quick response department in the same building.

New Business:

- a. **State/Local Agreement for East Idaho and Holly Avenue Road Improvements:** Beau Ziemer explained that the project would create an industrial corridor down a portion of Idaho Street and Holly Avenue going north to city limits. Mr. Ziemer explained that improvements would include curb, gutter, sidewalk and lighting. **Councilman Esplin made the motion for the mayor to sign the agreement. Councilman Esplin seconded**

the motion, which met with full approval.
